

## Wastewater/Collection

**Low Pressure Sewer Systems and Grinder Pump Stations**  
Environment One

**Pump Station Controls and SCADA**  
Siemens Water Technologies  
Mission Communications

**Submersible/Sewage Pumps**  
WILO/EMU  
Ebara

**Lift Station FOG Removal/ Odor Control**  
Anue Water Technologies

**Carbon Odor Control Systems**  
Unisorb Canada

**Packaged Submersible Sewage and Stormwater Lift Stations**  
Correct Equipment

**Fiberglass Flumes and Metering Manholes**  
Tracom Fiberglass Products

## Chlorination

**Tablet Chlorinators**  
PPG Accu-Tab

**Sodium Hypochlorite Systems**  
Lutz-Jesco

## Instrumentation

**Pump and Process Control, SCADA, Level**  
Siemens Monitoring System

**Flow Meters, DO, Level, SS**  
MJK

**Wireless Monitoring and Control**  
Mission Communications

## Contacts

**Main Office**  
Redmond, WA 425-869-1233

**W. Washington**  
Pt. Ludlow, WA 360-301-3535

## Wastewater Treatment

**Rotary Lobe Sludge Pumps**  
Vogelsang

**Progressing Cavity Pumps**  
Monoflo

**Sludge and Influent Grinders**  
Vogelsang  
Monoflo

**Diffusers, Discard Tube PTFE Coated**  
SSI

**Sludge Thickeners**  
IPEC Consultants, LLC

**Headworks, Screens, Grit Removal**  
John Meunier  
IPEC

**Carbon Odor Control Systems**  
Unisorb Canada

**Floating Brush Rotors**  
S & N Airflo

## Water Distribution

**Packaged Booster Pump Stations**  
ITT/Flowtronex

**Pump Station Controls and SCADA**  
Siemens Water Technologies Mission Communications

**Vertical Turbines & Horizontal Pumps**  
American Marsh

**FRP Buildings**  
Tracom Fiberglass Products

## Service

Equipment Maintenance Contracts  
Controls Repair & Maintenance  
Pump Repair & Maintenance  
Installation  
Bonded, Insured and Licensed

Parts and service for Moyno, Seepex, JWC
